**Information to the Market**

Reference is made to the reported financial difficulties being experienced by Missguided, a UK-based global fast fashion retailer, of which the Hudson Malta plc Group operates a store in Malta.

The Group has been following the issues with Missguided closely for some time and already has a mitigation plan in place for this store which will minimise any possible impact on the store's operations. The store is insignificant in terms of contribution to the Group's overall profitability and all steps deemed necessary to safeguard the Group's interests resulting from contractual obligations presently in force with Missguided are being taken.
